

Beavermead Campground is owned by the City of Peterborough and managed under agreement by The Otonabee Conservation Authority.

~ CAMPGROUND RULES ~

All visitors to Beavermead Campground are subject to the Conservation Areas - Otonabee Region, 1990, Reg. 128. Conservation Authorities Act, R.S.O. 1990, C.27. including but not limited to:

- All campsites must be vacated by 12:00 noon and shall be left in good condition.
- No excessive noise is permitted at any time. No person shall operate any sound system after 10:00 p.m. Quiet time is 12:00 midnight to 8:00 a.m. or as may be otherwise posted.
- No person shall use abusive or insulting language.
- No person shall consume alcoholic beverages except on a campsite occupied under a valid camping permit and with consent of the permit holder. The use of alcohol anywhere else in the park is strictly prohibited. Any improper use of alcohol is not permitted.
- The use of alcohol is not permitted in conjunction with a permit issued for the purpose of group camping.
- Pets must be leashed, quiet, and under control at all times. Clean up after your pet.
- Pets are not permitted in any place posted or otherwise indicated by staff as off limits, including but not necessarily limited to, the beach, swimming area, washroom and other buildings, or the playground. Exceptions are in place for service animals.
- Note that all City of Peterborough animal control by-laws are in effect in the campground, including but not necessarily limited to #96-152 (Cats), #192 (Dogs), #215 (Pigeons), #180 (Animal Registration).
- No more than five persons shall occupy a campsite unless it is a single family unit of parents and their children or the campsite is designated as a group campsite.
- Persons under the age of 19 years are not permitted to stay overnight unless accompanied by an adult.
- Visitors are not permitted after 10:00 p.m.
- The camping permit allows parking for one vehicle per campsite. Parking a second vehicle on a campsite requires an extra vehicle permit. No more than two vehicles shall be parked on a campsite. Any additional vehicles must have an extra vehicle permit and park in the designated lot.
- All garbage and recyclable materials must be properly disposed of at the campground waste and recycling area.
- No person shall deface, remove, or damage any property.
- No person shall be in possession of or discharge any firearm or fireworks.
- No person shall operate a vehicle in excess of the posted speed limit (10km/hr).
- Vehicles shall only be operated on roadways.
- No person shall operate an all terrain vehicle in the campground.
- No person shall have a fire in a non-designated area or leave a fire unattended.
- The removal of living or dead trees, including foraging for deadfall, is not permitted.

- In order to prevent the spread of insect pests, no person shall bring any material intended for use as firewood into the campground from an outside source (firewood from Peterborough County is excepted).
- No person shall burn anything except firewood. The use of wooden pallets, construction waste, or similar materials for firewood is not permitted. The burning of waste is not permitted. The site supervisor or his designate will remove or cause to have removed any firewood or other material intended for burning deemed not suitable to the purpose.
- Sewage or waste water must be properly disposed of at the designated dumping station. The disposal or discharge of sewage or waste water on campsites or at any other location within the campground or adjacent properties, including washroom buildings, is not permitted. Camping permit holders are permitted the use of the designated dumping station at no charge, such use being limited to the trailer or other camping equipment identified in the camping permit.
- Camping permit holders are responsible for ensuring that any trailer or other item of camping equipment fitted with a sewage or waste water system does not improperly discharge sewage or waste water. Any such system is required to have approved portable holding tanks installed and properly connected. The system shall be properly maintained and kept in good operating condition at all times. Holding tanks shall be emptied as required.
- Staff may evict and/or refuse to return camping or other fees to persons who do not comply with park regulations or whose conduct is otherwise detrimental to the operation of the campground.
- The Otonabee Region Conservation Authority and/or the City of Peterborough assumes no liability whatsoever for camping equipment or their contents while situated at Beavermead Campground. The camping permit holder agrees to indemnify The Otonabee Region Conservation Authority and the City of Peterborough, their officers and employees, against claims resulting from loss or damage to property or injury to any person arising out of the use of its facilities.
- The Otonabee Region Conservation Authority reserves the right to refuse entrance to any person or persons whom the staff deem detrimental to the operation of the campground.
- The YELLOW CIRCLE posted at each ordinary point of access to the premises shall be sufficient for the purpose of giving notice that entry is prohibited except for the purpose of certain activities and shall be deemed to be notice of the activities permitted. The Trespass to Property Act, 2000, 7(2).
- Staff members of The Otonabee Region Conservation Authority are appointed officers to enforce the above regulations and the Authority's operating policies.

Be a good camper! Respect your neighbor!
